**Action taken report on the summary of feedback from stakeholders
for the academic year 2016-2017**

Parents:

Job oriented training sessions improved the placement opportunities of the students. The expectation of parents and teachers met with the initiatives of the placement.

Students:

Establishment of smart class rooms and ICT enabled teaching methodologies improved the leaning perspectives of the students. Exclusive coaching sessions for the Govt. Service exams provided the best placements for the students.

Employers:

The introduction of Kongunadu Bi-Annual journal for Science and Management resolved the requests of the research scholars and teachers.

Alumni:

The skills of the students were developed through the exposure of current affairs with ICT enabled teaching methods. The introduction of outcome Based Education strengthened the curriculum. E-sources and e-learning methods also increased the interest of the learning.

Teachers:

ICT enabled class rooms increased the utilization of the Electronic Resources. FDPs on ICT tools also provided ample teaching-learning facilities to the teachers and students.
