

**KONGUNADU ARTS AND SCIENCE COLLEGE
(AUTONOMOUS)
COIMBATORE -641 029**

**Analysis Report on the summary of feedback from stakeholders
for the academic year 2015-2016**

Parents:

The activities of the placement cell with the best career guidance and opportunities created for the students were appreciated by the students' parents. The demands of the parents for the organization of more programme on orientation and counseling, Mock interviews, training and seminars for the enhancement of their wards were satisfied by the congruous and plethora of events.

Students:

The hands on training for their program related courses were the main plea from the students. Their requests were fulfilled by the arrangement of field projects, Internship and course Industrial visits. The necessary workshops organized pertaining to the subjects were off best benefit to the students.

Employers:

The constant reports from the employers on the development of soft skills of the students were rectified by the mandatory subject of Soft Skills in curriculum. Career Guidance and counseling cell functions exclusively to promote the Career skills of the students to become industry ready.

Alumni:

The initiatives of "On Campus" training programmes to the students have been implemented for the valuable increase in the placement record. The arrangement of Entrepreneurial Development programmes found useful to the students for the best start up initiatives by the students.

Teachers:

The promotion of more orientations, FDPs and personality Development programmes found valuable to prone the skills of teachers. Incentives and appreciation were planned for promoting the research skills and participation of the teachers. It was also planned for the introduction of Library Sciences for the welfare of the scholars.
