**Analysis Report on the summary of feedback from stakeholders
for the academic year 2016-2017**

Parents:

The Job oriented training sessions for students for the betterment of placement were appreciated by parents. They are satisfied with the increase of placement opportunities for their wards.

Students:

For the effective Teaching-Learning practice, smart class rooms and ICT enabled teaching methodologies have been implemented for the best learning practice. In order to rectify the plea of students for the Civil Services and Government Competitive examinations, exclusive coaching sessions for the Govt. Service exams have been initiated. Their plea for the conduct of online Exams and issuance of Hall tickets are taken for consideration from the forthcoming year.

Employers:

The continuous efforts of Research and Research related function were the main concern for the promotion of the standard of the faculty members. The introduction of the Bi-Annual Journal for Science and Management resolves the request and initiates the interest of research from teachers and scholars.

Alumni:

The ICT enabled Teaching- Learning enhanced the performance of the students for acquiring their best placement opportunities and the required Skill Sets. The skills of students further strengthened with the Outcome Based Education. The expose to the current affairs were also made available through e-sources and e-learning methods.

Teachers:

The Science oriented programmes have been planned for the increase of students in the Science Courses. The ICT enabled teaching methodologies have been insisted upon to promote the effective teaching practice. The training sessions on handling the ICT teaching methodology found useful for the utilization of the Electronic Resources.
