**Analysis Report on the summary of feedback from stakeholders
for the academic year 2017-2018**

Parents:

The training programmes for Extension, workshops and MOUs for imparting special skills of the students were appreciated by the parents. Based on the demand of the parents, the skill oriented courses have been planned by the Institution.

Students:

The imbibing of competency in the core subjects of the students are honed with the introduction of startup programs and the initiation of incubation center. More innovative initiations have been planned for the forthcoming years. The students become the best beneficiaries through the M.Phil and Ph.D programmes in Physical Education.

Employers:

The plea for the Job oriented and Skill Oriented courses have been rectified by the implementation of courses on Apiculture, Bonsai and Mushroom cultivation in the curriculum. More initiations have been planned in the forthcoming academic years.

Alumni:

The constant request of the students for the Wi-Fi enabled Campus made possible with the 24/7 connectivity of Wi-Fi throughout the campus. This would facilitate the students to have a complete modernly furnished campus environment.

Teachers:

Faculty Development Programmes were organized by IQAC for improving the Teaching methodologies of the faculty members. Out Come Based curriculum has been implemented to impart the program related skills from students. More Collaborative ventures with Institutions in and around India and Foreign universities have been planned for providing global standard of education.
