The Chairman welcomed the gathering and then requested them to take up the agenda for discussion.

Item 1: To resolve the implementation of Outcome Based Education to the present curriculum.

The members of the board considered the draft curricula scheme of examinations and the syllabus and approved the same. They had thoroughly ~~under~~ gone through the Programme Outcomes, Programme Specific Outcomes, Course Outcomes and course objectives and approved the mapping.

Item 2: To suggest a panel of examiners for question paper setting, theory and practical examinations.

A panel of examiners was prepared and forwarded to the principal.

Suggestions given by the board :

- \* More number of text books and reference books of foreign authors may be prescribed in the syllabus.
- \* In NME - Environmental chemistry, one unit can be replaced by 'non-conventional energy resources'.
- \* IDC courses can be offered by the department.

Feed back collected from all stakeholders were also analysed and discussed.

The board recommended the chairman to present the curricula, scheme of examinations and syllabus in the ensuing academic council meeting for approval and implementation for the students to be admitted from the academic year 2018-2019 and onwards.
