The Chairman welcomed the Information Technology Board members for the implementation of the syllabus during the academic year (2017-2018). The Chairman then requested the members to take up the agenda for discussion and approval.

The chairman briefed the activities to be taken up by the board for implementation during the year 2017-2018. Based on the feedback collected from the stakeholders the following changes are carried out.

Item I:

To Approve the rules, regulations and syllabi for the students admitted in B.Sc IT during the academic year 2017 - 2018.

- a) New syllabi has been framed and discussed in the board. The chairman presented the details of the curriculam syllabi and scheme of examinations prescribed for B.Sc IT Course. The board suggested the following changes in the syllabi prescribed for B.Sc IT Course for the academic year 2017-2018.

Semester IV

- (i) To change the core paper VIII - Visual programming as Visual Basic .NET and to change the syllabus accordingly.
- (ii) To change the core practical IV - programming lab VB and VB.NET as programming lab VB.NET and to frame a new practical list for the same.

Semester VI

- (i) To revise the syllabus for the core paper XIII open source Tools and to add a new text book.

- (ii) To revise the syllabus for Core paper XIV Information security
- (iii) To revise the practical list for Core practical paper VI - Programming Lab using scripting languages and MySQL and rename it as Programming Lab - PHP.
- b) The board approved the above curriculum syllabi and scheme of examination pertaining to B.Sc IT and the students admitted during the academic year 2017-2018.

Item 2 :

To suggest a panel of question paper setters.

A panel of Question paper for B.Sc IT Course was prepared. The board approved the same for the Core and allied papers.

Item 3 :

To suggest a panel of examiners for theory practical and Viva-Voce.

A new list of members for the theory, practical and Viva-Voce was prepared and the same was accepted by the board.

The board recommended the chairman to present the above decisions in the ensuing meetings of the Academic Council for its approval and implementation for B.Sc IT during the academic year 2017-2018.
