EDUCOMP SOLUTIONS

Educomp Solutions Limited, founded in 1994 is a globally diversified education solutions provider and the largest education company in India. Educomp Group reaches out to over 34,500 schools and 22.8 million learners and educators across the world. Educomp is the largest Education Company in India and the only company spread across the entire education ecosystem, from schools to skills. Educomp has 27 offices worldwide including an office in Canada, 20 in India, two in Singapore, one in Sri Lanka, and three in the United States. It has an employee base of over 10,000 professionals (including contractual employees with various state governments).

Our presence in each of the education verticals is marked with technology-enabled products, high quality people, structured processes and entrepreneurial leadership, that come together to deliver unmatched value. From pre-school toddlers to post graduate students, from core curriculum subjects at the school & college level to vocational & employability skills for young, about-to-enter-the-job-market adults; Educomp reaches out to the entire education life cycle.

Our commitment and sincerity in defining what learning can be, is what sets us apart. Most of us have a background in education, with a deep commitment to learn and teach, to help schools, teachers, students, governments, and other stakeholders improve the education scenario by using technology.
