WHITEBOARD SOLUTIONS

Whiteboard Solutions (WBS) is a start-up venture whose vision is to enable any sort of enterprise to transform their business into an efficient and cost-effective manner. WBS was founded by few Computer application graduates on one auspicious day that is on 12-12-2012. We rely highly on young talents and experienced master minds which shape everything we do into a flexible format. WBS not only focuses on client requirements, where apart from that we are also "inking creativity" on whatever we deliver to the clients which will definitely mark a high standard in their productivity. We also develop products which favors a group of business holders where we mainly focus on eco-friendly applications.

We offer our customers a wide spectrum of products from our ready-made solutions to custom web design solutions. Once our customers chooses the template they like, then we work with them to complete their project by customizing the template to carter to their business needs using our artistic and programming talents. Along with web design we also offer products in Logo designing, Brochure designing, Banner designing and Corporate Identities is designing to our customers.

KONGUNADU ARTS AND SCIENCE COLLEGE
